Installation of Officers Dinner & Dance:

The Club had a great turn out for the installation of 2011 officers. A big "thanks" goes out the Eric Hagedorn for putting together a fun evening. The food from The Brass Door was tasty and the great sounds from the *Hicktown* band had people up and dancing.

From The Commodore:

Many thanks to all those members who, served the Club as board members or as officers during 2010. It takes a lot of work and all these members showed their dedication to the Club. There is increasing discussion within the Club about the use of digital communications as a means to get information out to the members more efficiently and cost effectively. If you have an opinion, contact one of your board members so they can address this with board input from the membership. In 2011 we have plans to get "Back To The Water". Look for boating events coming up throughout the year.

Thanks,
Commodore

**P.S. LET'S
ALL COME DOWN AND ENJOY THE
CLUB YEAR ROUND NOT JUST
