**Election of Officers and Board:** It was nice to see so many members participate in the election. 70 regular members voted during the election. All four of last years officers were re-elected to office. We had 5 open seats on the board of those 3 sitting board members, Dino Taylor, Matt Woulfe, and Ron Jenkins were returned to the board. Two new board members, Bill Klinke and Tom Williams were elected to the board. Prior to the installation dance a special board meeting was held and the board chairmanship assignments were made. Dino Taylor was re-elected as Board Chairman. The membership did vote in a change to the constitution regarding the selection of honorary members, but it was changed from the proposed amendment to provide for the sole authority to select honorary members to rest with the board.

## 19 January – Installation Dinner/Dance

What a great party! We had an excellent dinner catered by Chef Bob. We had rock-in dance music played by the Night Owlz. And many thanks to Layne Gibson for MC-ing the event. It is always interesting when Layne is at the microphone.

### **From The Commodore:**

We have a good board and selection of officers this year. I am looking forward to a great year at the Boat Club. Thanks for all you participation last year. Let's make this year even better. We still need a few more good members in the Club. If you know of a good candidate, bring them out to the Club and introduce them to your friends. Remember, if you go out on the water on these first warm days, wear a life jacket and be very aware of the dangers of the cold water. It is not a reason to stay home, but it is a reason to use caution.

**Thanks, Commodore**
