FROM THE COMMODORE

Scotty Bryant, the President of the Illinois Federation for Outdoor Recreation (IFOR) spoke at our October Membership meeting. He presented information on proposed changes to the Piasa Creek watershed area with an aerial photograph and diagram of the planned renovation. There is currently a model being built of the area to demonstrate the proposed changes. The project should be underway within 2 years. The Boat Club thanks Mr. Bryant for his continued effort and commitment to recreational activities in Southern Illinois. Our yearly election of Officers and Board Members is rapidly approaching and there could be several openings on the board. If you would like to join the club's leadership, contact Layne Gibson or another member of the election committee.
