FROM BUTCH RISTER REGARDING THE PIASA ISLAND RESTORATION PROJECT

The Corps operation in the river has paused due to the ice. Stage one will resume as soon as river is clear. There will be two new islands constructed near Piasa Creek. Plans are to let the bids go for stage 2, which is dredging, later this year.

FROM THE CHAIRMAN: Dan Fitzgerald 618-806-3708

Thanks for the last 2 years of volunteering to make this club what it is today. A lot of things had to be done just right. Anyone who had anything to do with it should be very proud.

OUR KITCHEN IS OPEN

Chef Matt has joined our team and we are delighted to have him on board. Our kitchen is open 5 days a week!
Wed thru Fri 5pm – 9pm, Sat & Sun 2pm – 9pm
Our menu is still evolving, and we'll have plenty of specials to offer our members in the coming weeks. Thanks to Red Dunham for stepping up as Kitchen Manager.

PREVIOUS EVENTS:

7 Nov – Turkey Shoot

CPT Ron Jenkins led the Charge as we hosted our first Turkey Shoot in our new home. His team took total advantage of our new “basement!” The raffle salespersons barely made it out of the door before they were heading back for a new round of tickets to sell. We sold tons of Boat Club apparel, the shooting line went until dark, and the outside “shack food” sold out. Our pavilion beer sales team turned a huge profit, and the generous tips they received funded December’s Kids Christmas. Upstairs, our bartenders were rapidly taking orders and slinging drinks, and Peggy’s kitchen team prepared over 130 delicious turkey dinners. We achieved a terrific profit for our Club and learned many ways that we can go even BIGGER in 2022!!

4 Dec – Live Music by Stompin’ Ground

What a full sound!! The harmony and instrumental talent of Stompin’ Ground is something you must experience. Simply hearing Stompin’ Ground’s vocal warm up caused members to cancel their other plans and stay for the show; True Story... Look for Stompin’ Ground to return to the Boat Club later this year.

FROM THE COMMODORE:

I would like to thank everyone that came out for the vote of election of officers. Remember this is your club. You all have a voice. We have a lot of exciting things that are happening on the river with the Corps of Engineers working on the mouth of Piasa Harbor and the ski shoot all the way down to Clifton Terrace. Our Boat Club is poised for a new membership in better river access due to the work being done by the core. But first and foremost, I would like to thank all the people that worked on our new Clubhouse it is a Jewel. Bring your family your friends to show off our new Club. Don't forget we have ongoing dredging going on in our harbor as we speak. Due to previous engagements, the **February membership meeting will held on the 4th Tuesday, Feb 22nd**. Again, if you have any thoughts or concerns, please Bring them to the board meeting or membership meetings. I look forward to enjoying the new boat Club and Harbor.
